

Part Time PARAMEDIC

This part time position will offer the highest level of advanced emergency medical services to the sick and/or injured within the Evergreen Fire Protection District (EFPD). Paramedics are responsible for patient care, routine or emergent in accordance of the current Denver Metro Protocols, St Anthony's Specific (SASP) and Standard Operating Guidelines (SOGs) of the EFPD.

Qualified applicants will:

- Have the ability to maintain professional appearance and attitude when on duty or representing the District.
- Have the ability to complete daily assigned duties in a timely manner, including housekeeping items.
- Be capable of living and working closely and amicably for a twenty-four (24) or forty-eight (48) hour shift with assigned partner.
- Have the ability to create and maintain respectful and professional relationships with all employees and volunteers of EFPD, community members and other agencies.
- Have the ability to display the experience and confidence to manage all aspects of patient care needs "on their own" for extended periods of time.

Applicants must meet the following requirements to be considered:

- Must have a High School Diploma or equivalent
- Must have three (5) years EMS field experience, at least three (3) years as a Paramedic on an ambulance
- Colorado State Certified EMT-P
- ACLS/PALS/BLS certified
- Current Colorado Driver's License

The successful candidate will be required to pass a thorough background investigation and a physical examination (including drug screen).

Competitive wages DOQ.
