

**Foothill Flyers Disc Golf Club (FFDGC) is proud to bring the
2015 PCSAR Fundaiser Disc Golf tournament
on Saturday, October 10 at the Bailey Disc Golf Course, Bailey, CO**

This year marks the 6th Annual PCSAR disc golf tourney. The Park County Search and Rescue Team (PCSAR or Team) is an all volunteer, non-profit organization dedicated to aiding persons lost or injured in the back country of Park and neighboring counties. We are a 501(c)(3) non-profit corporation.

PCSAR's primary area of operation is Park County. Park County encompasses about 2,200 square miles (larger than Delaware), and includes the geographic center of the State of Colorado. Elevations range from about 8,000' to 14,286'. About 80% of the county is public land. PCSAR provides the primary response in most of these areas.

Bailey Disc Golf course is the venue for this event. Participants tend to be families or newer players from Park and surrounding counties.
