**PRESS RELEASE**

**For immediate release**

**Contact: Tabitha Pulinattu**

**303-570-5982**

**tabchey@gmail.com**

**FOR USE IN THE MOUNTAIN PARKS AREA ONLY!**

**Air for our heirs – Jeffco earns an ‘F’**

Jefferson County was ranked by the American Lung Association’s 2014 report as the worst county in Colorado for ozone pollution and was given a grade of F. Why and what is being done about it? Join the League of Women Voters of Jefferson County to learn more, including monitoring, sources, contaminants of concern, health risks, ecosystem effects, current air pollution studies, new proposed standards, and community efforts to reduce air pollution. The public is welcome. The League meets at 9:15 a.m. Tuesday, March 10, at Highland Rescue Team Ambulance Service, 317 S. Lookout Mountain Road, Golden 80401. Call Janet at 303-674-7755 for more information. An evening meeting also is available. Call 303-238-0032 or visit [www.lwvjeffco.org](http://www.lwvjeffco.org).
