Film Event - Father Unknown

On June 11th we will be screening the film, FATHER UNKNOWN in Evergreen, sponsored by Intero Real Estate. It's a true story about a journey I took with my father back to the orphanage in Switzerland where he lived as a boy. It's a story about the intergenerational aspects of childhood trauma, attachment and the journey toward healing. It's also a story about fathers and the role they play in their children's lives. My father, Urban Quint is 74 and lives in Evergreen and will be hosting an audience conversation after each screening. Perhaps you can join us and would share this event with your group or on your organization's webpage? Over the past year we've screened the film across the country and are now excited to share this heartwarming story at home!

A trailer for the film is here: <http://www.fatherunknown.com/trailer>

Further details here: <https://www.facebook.com/events/248578065530047/>

People leave the screenings with a LOT to talk about! If you are able to join us, we'd love to see you there~

Microsoft Power Point Training & Luncheon

If you have a foundational working knowledge of PowerPoint and want to learn more about creating engaging presentations - This workshop is for you! Join us for lunch and learn guidelines, tips and tricks for creating engaging presentations in one hour or less!

PowerPoint is full of features which allow you to present information in a concise and exciting format. Most presenters, however, only scratch the surface of all that is available when creating a PowerPoint presentation. In this workshop we will take a look at things such as themes, changing slide layouts, speaker notes, working with text placeholders and textboxes, adding preset animation, cropping images and working with shapes, wordart and smartart.
