

### **Seasonal – Residential Snow Plow Driver/s Description & Qualifications:**

Snow will be falling before we know it and we are looking for Snow Plow Drivers for on-call work during the 2020-2021 snow season (approx. Oct – April/May). Snow Plow Drivers will earn \$22 - \$30/hr, depending on experience. You will be driving & operating a clean, well taken care of  $\frac{3}{4}$  ton truck with a new, 9'6" Western V Blade.

- Must be available for on-call work: flexible schedule for nights, days, holidays, and weekends as needed. Must be willing & able to work long/unusual hours to accommodate the length of snow storms. Must be able to work ENTIRE STORMS & in all weather conditions.
- Perform pre-trip and post-trip inspections of plow truck and snow blade.
- Operate truck & snow plow safely while obeying all traffic laws.
- Keep plow truck and snow removal equipment clean and in good working order.
- Report any accidents, incidents or equipment failures to company owners immediately.
- Must have a valid CO Driver's License & legally allowed to drive a vehicle. Must be aware of snow predictions and be ready to head out to plow when called (within 30 minutes).
- Must be efficient so that all of the locations can be plowed more than once per storm as snow continues to fall.
- Must have a GPS enabled smart phone and take before and after photos of each location.
- May lead to other work, depending on qualifications, experience and work ethic.
- Minimum age 21.
- Required: No Criminal Background History & Drug Free.
- References required.

**\*\*\*Snow plowing experience required. Applicants MUST BE: reliable and mature with an excellent driving record. Knowledge of automotive/equipment repairs/maintenance a plus.\*\*\***
