

ROB SONTAG

Candidate for the Evergreen Parks & Recreation District Board of Directors

My Name is Rob Sontag. My wife and I live with our 15 year old daughter and 13 year old son in the El Rancho area of Evergreen. We live in the house that has been in our family for three generations built by my wife's grandfather in the 20's with family ties to the Evergreen area going back to well before 1900.

Over the course of nearly 25 years of professional life I have worked in many facets of public and private sector jobs. Of special note is my experience running a Special District (like EPRD) in Colorado for 8 years. I have a M.S. in Organizational Leadership from Colorado State University and over 15 years experience leading complex organizations through continual improvement and change processes.

My family continually and extensively utilize the facilities of the EPRD. We have played soccer, baseball, and softball on the District's fields; played tennis on the District's tennis courts, played Basketball in the gyms, swam competitively in the District's pools and used the weight facilities to train.

These life experiences have developed my skills and understanding to make me the perfect candidate to help direct our parks and recreation district to an even higher level of service to all members of your family in the coming years.

What interest me the most about serving on the EPRD board is the opportunity to bring a fresh perspective with a whole family focus to the board to continually improve the service of the District to it's residents.
