What: Live Music, Silent Auction, Food and Community Fun!

Hello everyone! In light of the recent tragic event in Bailey, there is a fund raiser coming together for the Park County Sheriff's Office. The funds will be directed primarily toward getting their force expertly trained, and they are also facing other unanticipated expenses.

LIVE MUSIC: All Day

SILENT AUCTION: There will be a silent auction during the event. Donations are requested.

COST: \$15.00 a person in advance - online at brownpapertickets.com, or in your community. \$20 per person at the door.

We need a group of inspired, dedicated community members to help make the most positive impact possible for our community.

We know that you will join us in this great opportunity to enhance your community by giving generously to the Park County Sheriff's Office, which took such a big financial and emotional hit in February.

Thank you for your continued community support!

Sincerely, Jeanne Boyd and Ellen Stoddard-Keyes
